Dear Mr. Casey

As president of the National Military Intelligence Association, I would like to invite you to be the guest speaker at our annual convention banquet on Friday, 10 September 1982. The banquet will be held in the Crystal Ballroom of the Officers Club at Ft. Leslie Mc Nair. It will commence with cocktails at 7 p.m., dinner at 8 p.m., and your remarks approximately 9 p.m..

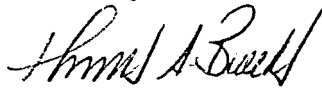

NMIA is a professional military intelligence association founded in 1973 at Fort Huachuca, Arizona. Members are either engaged in the military intelligence profession in the Armed Forces of the United States or are U.S. Citizens who have an interest in military intelligence and support the role of MI in the safeguarding of our nations security. The Association is the unofficial spokesman of military intelligence personnel of all the Military Services. There are Members wherever United States military intelligence personnel are serving throughout the world.

Our conventions have been held annually at various locations, with Washington, DC being the most frequent site. Last year our speakers were Admiral Inman, Senator Goldwater, and Secretary Schlessinger. You could probably anticipate about one hundred people in attendance, with the banquet remarks being non-attributable and unclassified. I don't anticipate any press attendance. As the conference agenda develops, we will send you additional details of this years program.

P-304

I sincerely hope you will be able to join us for the banquet and I look forward to hearing from you. If there are any questions, please do not hesitate to have someone get in touch with me (763-3694) or with Dick Bates, our convention Chairman (671-0152).

Sincerely,

A handwritten signature in cursive script, appearing to read "Thomas A. Brooks".
